Join us for the second annual Joy of the Game Foundation Golf Outing. The Joy of the Game Foundation's mission is to ensure that all youth regardless of background or economic position benefit from the positive aspects of being a youth athlete. Our programming instills positive messages and characteristics in our participants through emphasizing such concepts as setting and achieving goals, teamwork, determination, leadership, perseverance, and dealing positively with adversity. We create a positive atmosphere with strong role models that allow youths an alternative to violence, gangs, and self-destructive activities. Most importantly, we develop skills in our participants that allow them to go to college on scholarship.
